

## Pipe Nipples

1/8" thru 8" Diameter x Any Length Sch 40 thru XXH  
Black & Galvanized - Welded & Seamless  
Aluminum & Stainless Steel - Welded & Seamless  
End Connections: Threaded, Grooved & Plain End (Any Combination)  
Specialty Nipples: Extended Thread lengths, 45° Miter Cut One End

## Swage Nipples

1/4" thru 8" Diameter  
Black, Galvanized & Stainless Steel  
Concentric & Eccentric  
Standard thru XXH  
All End Types & Combinations

## Pipe Threading

Steel Pipe - 1/8" thru 8" Diameter x Any Length  
Aluminum Pipe - 1/8" thru 8" Diameter x Any Length  
Stainless Steel Pipe - 1/8" thru 8" Diameter x Any Length

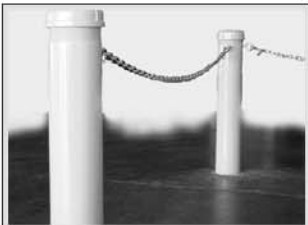

## Forged Steel Outlets

1/4" thru 36" Diameter, All Schedules  
Carbon & Stainless Steel  
Welded Outlets, Threaded Outlets  
Socketweld Outlets, Nipple Outlets  
Elbow & Lateral Outlets

## Pipe Cutting & End Finishing Services

2 Fully Automatic Band Saws  
with mitering capabilities  
Straight Cutting thru 16"  
Diagonal Cutting thru 12"  
angle cut to 60 degrees  
Tolerances to +/- .0005"  
Any material, any length

12 Threading Machines  
2 for 5"- 6" Diameters  
5 Reaming, De-burring &  
Polishing Machines  
8 Saws for Production &  
Special Applications  
Custom Bundling/Packaging

## Pipe Bollards & Protective Barriers

Pipe Bollards  
Removable Pipe Bollards  
Locking Pipe Bollards  
Pipe Caps  
180° Pipe Bends

## Pipe & Tube Bending

Thin & Heavy Wall Bends  
Tight Radius & Large Radius Bends  
Compound Bends & Pipe Coils  
Structural Bending - All Shapes
